(b) It is the duty of the board to notify every person registered hereunder of the date of the expiration of his certificate and the amount of the fee required for its renewal for two (2) years. Such notice shall be mailed at least one (1) month in advance of the date of the expiration of the certificate.

(c) Renewal may be effected at any time during the thirty (30) days preceding the certificate expiration date by the payment of the fee determined by and payable to the board.

(d) Certificates of registration shall be subject to late renewal for six (6) months following their expiration date by payment of the renewal fee plus a penalty as set by the board for each month or fraction of a month which elapses before payment is tendered.

(e) Any person wishing to renew his certificate later than six (6) months after its expiration date shall reapply for certification. The board may, in its discretion, waive any further examination of such an applicant.

(f) Notwithstanding any provision in this chapter to the contrary, the board shall have the authority to establish by rule and regulation, procedures and criteria pursuant to which persons who are retired may continue to use the titles of “engineer”, “architect”, “landscape architect”, or “interior designer” without the payment of a registration renewal fee.
